---

The ***Valuation Handbook - U.S. Guide to Cost of Capital, 2011 Essentials Edition*** includes two sets of valuation data:

- Data previously published in the 2011 Duff & Phelps *Risk Premium Report*
- Data previously published in the Morningstar/Ibbotson *2011 Stocks, Bonds, Bills, and Inflation (SBI) Valuation Yearbook*

The ***Valuation Handbook - 2011 U.S. Essentials Edition*** includes data through December 31, 2010, and is intended to be used for 2011 valuation dates.

The *Valuation Handbook - U.S. Guide to Cost of Capital, Essentials Editions* are designed to function as historical archives of the two sets of valuation data previously published annually in:

- The Morningstar/Ibbotson *Stocks, Bonds, Bills, and Inflation (SBI) Valuation Yearbook* from 1999 through 2013
- The Duff & Phelps *Risk Premium Report* from 1999 through 2013
- The Duff & Phelps *Valuation Handbook - U.S. Guide to Cost of Capital* from 2014

The *Valuation Handbook - U.S. Essentials Editions* are ideal for valuation analysts needing "historical" valuation data for use in:

- The preparation of carve-out historical financial statements, in cases where historical goodwill impairment testing is necessary
- Valuing legal entities as of vintage date for tax litigation related to a prior corporate restructuring
- Tax litigation related to historical transfer pricing policies, etc.

The *Valuation Handbook - U.S. Essentials Editions* are also designed to serve the needs of:

- **Corporate finance officers** for pricing or evaluating mergers and acquisitions, raising private or public equity, property taxation, and stakeholder disputes
- **Corporate officers** for the evaluation of investments for capital budgeting decisions
- **Investment bankers** for pricing public offerings, mergers and acquisitions, and private equity financing
- **CPAs** who deal with either valuation for financial reporting or client valuations issues
- **Judges and attorneys** who deal with valuation issues in mergers and acquisitions, shareholder and partner disputes, damage cases, solvency cases, bankruptcy reorganizations, property taxes, rate setting, transfer pricing, and financial reporting

**For more information about Duff & Phelps valuation data resources published by Wiley, please visit [www.wiley.com/go/valuationhandbooks](http://www.wiley.com/go/valuationhandbooks).**
